# Take a Closer Look

# People

People are the heart and soul of USL. Classes, free time, or those last few minutes of cramming before a test can all be represented by people.

The post office is a popular meeting place between classes. A congregation of people can almost always be found here, discussing classes, politics, or any of a number of topics.

And of course, there are always those who have 10 minutes to walk from Griffin Hall to FG Mouton, or vice versa.

A stop in front of Cheff's is also mandatory if what is being sought is a crowd.

# And More People

Right — It's easy to see how important it is for people to cooperate and work well together.

Left — A future Ragin Cajun?

Right — Of course, there are always those people who are in a hurry.

Below — Everyone has the opportunity to support USL and a campus organization by purchasing a license plate.

# Transportation (and its problems!)

When there's a will, there's a way, and this can be shown by the many ways USL students get to and from their classes every day.

Bicycles are certainly one of the most popular forms of transportation used by students. The energy used to power them is definitely cheaper than gasoline.

Bicycles also allow their drivers a chance to visit with friends while on their way.

USL is faced with a parking problem on campus, but the USL transit system provides bus transportation to and from the stadium at regular intervals daily.

Above — Even though Mopeds aren't fast enough to call for a ticket on I-10, this driver found out it is indeed possible to be ticketed if you happen to go down Rex Street when Lafayette City Police are around.

One too many tickets!

Putting chemicals in Cypress Lake was the reason this boat was found there, but it's an idea for going to class after heavy rains!

Above — Anyone who drives down St. Mary knows what a problem the pedestrians can cause.

# Student Lives

## Studying

Everyone acts differently when faced with those last few minutes before a test they know they didn't study for half as much as they should have.

Below — Does it seem the only time you can get to see someone special is when there's work to be done?

Left — Well, maybe they're not studying but at least they're reading.

# Eating

A favorite pastime of Cajuns is to eat, and there are plenty of places to eat right on campus.

Visiting with friends and fellow classmates over lunch at the Bike Rack.

Customers at a fast food stand near Griffin Hall.

# Playing

After eating there's always fun at a local hamburger joint.

The Bike Rack is the most popular stop for students to grab a quick meal. The commuters and people who live off campus can be found here during almost any break.

# Communicating

The area around the post office is always packed with people trying to put their two cents worth into the conversation.

A break can sometimes be very fulfilling and peaceful. There are always places where the only person who will find you is a dedicated photographer.

Any questions a student may have can almost always be answered at the Information Desk in the Union.

While some students are on their way in, others are leaving. Stopping to talk about material on a test, a grade, or numerous other topics is a main cause of the congestion between classes.

## And More

Above — People stopping in the Union to discuss notes or whatever with old friends can be seen daily.

Left — Of course, discussions at the famous hurricane parties may not always be remembered.

At a fraternity gathering by Cypress Lake the members hand out surprises to all of the many sightseers and supporters.

# Issues

In the Spring of 1980 the student body of USL voted to support the SGA in changing the name of USL to U of L (University of Louisiana). A rally was held in the fall, and a large crowd gathered to hear the reasons supporting the name change. The Board of Regents has to approve the change, which may take quite a bit of time and persuasion.

A U of L supporter is trying to persuade the crowd to help in their fight for a name change.

An attentive crowd listens to the reasons University of Southwestern should become University of Louisiana.

# University of Louisiana?

The first step to getting a name change is to get believers to convince other students how important the change is to USL.

Members of SGA and others watch the speaker and the crowd to get a hint of their reaction.

Channel 3 obviously feels the name change is an important issue.

# USL — Day ...

Martin Hall is always full of life during the day.

The “quadrangle” looks like a maze between classes, with everyone going in opposite directions.

## ... Night

A look at Martin Hall at a time when the typewriters aren't clicking and the phones aren't ringing.

One of the newly remodeled buildings on campus still looks ivy league on the outside.

The Union may overflow with life during the day, but at night it empties out in the same manner as do the academic buildings.

# Nature's Way

USL is a very beautiful campus. Cypress Lake, the azaleas and a large variety of trees contribute to this natural beauty. Students aid in keeping the campus beautiful by not littering and respecting nature.

A very common sight at USL during the summer and fall.

A student studies the variety of plants at the Horticulture Center.

A glance down the boulevard in the spring reveals the azaleas along the side.

STUDENT  
LIFE

# A New Experience ...

How do you distinguish a freshman? Brand new books, six sharpened pencils, three different colored pens, all carried by a neatly dressed picture of innocence. This was the typical sight several times this year at the freshman orientation sessions.

In January, June and July, incoming freshmen came to campus for the day, viewing slides of university sights and events, touring the school's buildings and learning how to fill out packets and make out schedules. In mid-August, orientation was a week-long affair, with eager students-to-be getting a taste of dorm life and night life.

This activity helped to prepare the new students for their four-year adventure at U.S.L.

After orientation, the students are usually a lot more familiar with our campus. One of the more familiar sights on campus is the bookstores. After all, everyone has to go into at least one of them once every semester.

The bookstores are now becoming more diversified in the types of items that they sell. Besides books, one can buy jeans, midnight munchies, gifts, plants, and even jewelry. The bookstores are indeed two of the

most frequently visited places on campus.

Another place that students go to often is Bittle Hall, known more commonly as the post office. Students drop in daily hoping to get good news from a friend or maybe just to pick up the latest edition of their favorite magazine.

# Problems

One thing that students find out quickly after coming to school here is that our campus has a big parking problem. The number of students with vehicles continues to increase much faster than do the number of available spaces for them to park.

Finding a ticket on your car may not surprise you — students double and triple park, park between the signs, and in other no parking zones daily. We are reminding you to please remember what a number of tickets can lead to — immobilization of your vehicle, which is more expensive than if you would have paid for all of your tickets, possibly getting your car towed off of, or barred from campus.

People who violate other traffic laws also get caught on our campus. You don't need four wheels to get into trouble around here.

A large number of our students live off campus and they too have parking problems.

The shuttle busses that run from Cajun Field to campus service thousands of people each day.

Students are let off and picked up at the Guaranty Bank commuter stop and also across the street from H. L. Griffin Hall, on the corner of Rex and Lewis Sts.

As you can see here, there are also a large number of two-wheeled vehicles on campus as well.

Well, it is nice to know that somebody is trying to help out with our parking problems by trying out a new idea — cycle-pooling. Between the three of them there is only one vehicle to park, and a small one at that. Still, somehow the local and campus police might object to their unlawful ingenuity.

## Walking:

Of course, you can always walk to class:  
Every day thousands of students can be seen walking across our campus to go to their classes, and many of these people walked here from their off-campus residences.

With the large amount of students using our sidewalks daily, it should be to no one's surprise that they are in need of repair.

Many students walking across our campus do so with the fear that they will be trampled on during the rush to class. When time for class is close, and the room on the sidewalk is scarce, it is every student for themselves.

## Take A Break ...

Oftentimes students have breaks between their classes and you can find them anywhere. Any space to lay down their books for a few minutes is fine.

The Union Snack Bar and the Cheff's here on campus seem to attract the most crowds. Who can tell, maybe there will be other places for students to go to by next semester.

Of course, if you have a lot of time on your hands, why not spend it in the Union recreation center. The Union bowling lanes are the least expensive anywhere and they also have pool tables and pinball machines. Even if you want to just sit down for a few moments, you can do that, too.

# DORM LIFE

Dormitories can be places where people meet new people, but even with lots of new and exciting people around some people still get homesick. For some, this means a trip home, for others just a phone call. Some people avoid the problem of homesickness by bringing a little bit of home with them.

# Dormitory Living — An Experience In Itself

USL's 13 dormitories house people from every part of the country and every part of the world. Each dorm is like its own separate world.

In some of the dorms, the wing a student lives on can become a second home, the residents almost like family. Dorm living provides security for those moving away from home for the first time. There is always someone to talk to and even to help with homework. Though it sounds cliché, dorm life is indeed a chance to meet new people and establish lasting friendships.

Dorms encourage team participation and competition within and outside of the dorms. There is a usual sense

of pride in each resident when his or her dorm is recognized in some way.

The experiences that dormitory residents encounter are much unlike those of commuters or apartment dwellers. Although many dormitory residents may move from their dorm into apartments before completing their school years, they too take with them valuable bits of info and probably a few cherished memories of dorm life. Dorm life is what you make it, but even in one semester you can make it an unforgettable experience.

In these next few pages we will see the people who keep the dorms running — the dormitory staffs.

# NIGHT?

## Another Planet Perhaps?

Do not let these pictures fool you. These are some of the places down the street from our campus, more popularly called "the Strip."

These pictures were purposely taken at an off time so that you could see what the places really look like. Unless you go out very early in the evening, the Strip is so crowded that you can't really get a clear view inside of the places.

The establishments down at the Strip do open up early, just in case there is an important event that you might want to celebrate, maybe have a little fun after class or after work. Why not go down just to shoot a few games of pool?

Some of these sights should look familiar to many of you there. First we have the D.J.'s booth over at the Keg (a college tradition, you know the place). It's empty now, but it won't be long before the D.J. comes in to play for all of the loyal Keg supporters who are sure to be wandering in shortly.

Now this may look unusual, but *there are times* when the pool tables down at the Keg are empty. On a regular night, those tables keep busy for hours, with standing-room-only crowd to watch.

Although this bar may not look very busy, the bartenders are not really worried about it. The bartenders are just taking it easy while they can. Any minute now the place will fill and then they won't have time to do anything else but to wait on the thirst masses.

Here is a view inside of Mother's Mantle. "Mother's" is a popular spot out at the Strip. Mother's is probably most known for its live entertainment. Weekly Mother's features such bands as Red Beans and Rice, Rockin' Doopsie, and one of the local favorites — Atchafalaya.

Next we see the pool playing facilities inside Mother's. Many students who frequent the Strip will agree — a place isn't worth going into if it doesn't have pool tables.

Back at the Keg we see students playing with one of their many electronic games. With today's electronic advancement, amusement companies have come up with a game to suit just about every one's liking. If electronic space games are not to your liking, there is still foosball, and the traditional barroom favorite — pinball.

## More nightlife . . .

Taken by surprise here is one of the bartenders at Andy Jacke. AJ's, as it is commonly called is known for its music — lots of oldies, including Beatles, 50's, 60's and vintage rock along with progressive country. Sure they do play a little hard rock and some disco, but AJ's is more known for its other music.

Probably the most popular item at AJ's is its Thursday night special — Long Island Iced Tea. It is not exactly what grandma makes on a warm summer day.

The guys shooting pool are back at Mother's Mantle, they demanded equal time with their opponent. Even though they lost the game, they were not upset — nothing dampens the partying spirit here at USL.

One reason why the crowd at the Strip is small early in the day may be because people are just getting cranked up over at the Bike Rack, located in the Student Union.

Bezanson, Nancy

Bivona, Becky  
Blacher, Denoise  
Black, Ethel  
Black, Roger  
Blackman, R. Jr  
Blackson, Kenneth  
Blackwell, Russell

These students are ready to start off the evening, or maybe they are just celebrating the end of the day.

For whatever reason, the Bike Rack is a place that students visit at least once during their college days.

During the day, the Bike Rack is the Union Snack Bar, but at night, the emphasis switches to the other side of the partition. The bar opens up and now they are more interested in satisfying thirst. If you should get hungry while in the Bike Rack, be sure to try out their Hot Boudin.

Maybe there are students having parties of their own. Who knows, maybe they will end up going out at the Strip or maybe to the Bike Rack.

Some students study, or at least that is a rumor that I recently picked up. But for all of you partying people out there, don't be upset with the girl in the picture. Our little scholar may just be studying until it is time to go out. If not, she probably went out after she took that test.

NOTE: Don't worry that the Strip is empty in this section, we'll take a look at it later on when things are at their wildest. Coming later in this volume, a look at the new places to go to in and around Lafayette — so read on.

# Speaking Up At USL ...

## Anne Beatts ...

Live from USL in Lafayette, La. — It's Saturday Night!" The Ragin Cajuns were visited by this offbeat comedy show's co-editor, Anne Beatts. This Emmy Award-winning writer from NBC's "Saturday Night Live" gave a satiric, fun-filled performance in the Union Ballroom in February of this year.

Beatts promised college students that she will "make you laugh — or else!" This she did, without even having to execute her threat of tickling everyone in the audience until they *had* to laugh. The sold out, standing room only performance of Beatts was a definite highpoint in 1980 Student entertainment.

## Benjamin Hook ...

Benjamin Hooks, Director of the N.A.A.C.P., spoke to a not so large, but attentive audience in the Union in early April of this year. Mr. Hook's insights into the rise of minorities and their future progress in American society was indeed enlightening to those who attended. Though Mr. Hook did not draw the largest crowd for a speaker this year, those present certainly enjoyed the lecture.

## John LeBoutillier

John LeBoutillier, the author of "Harvard Hates America" and "Primary" came to USL in September of this year to discuss presidential campaign politics.

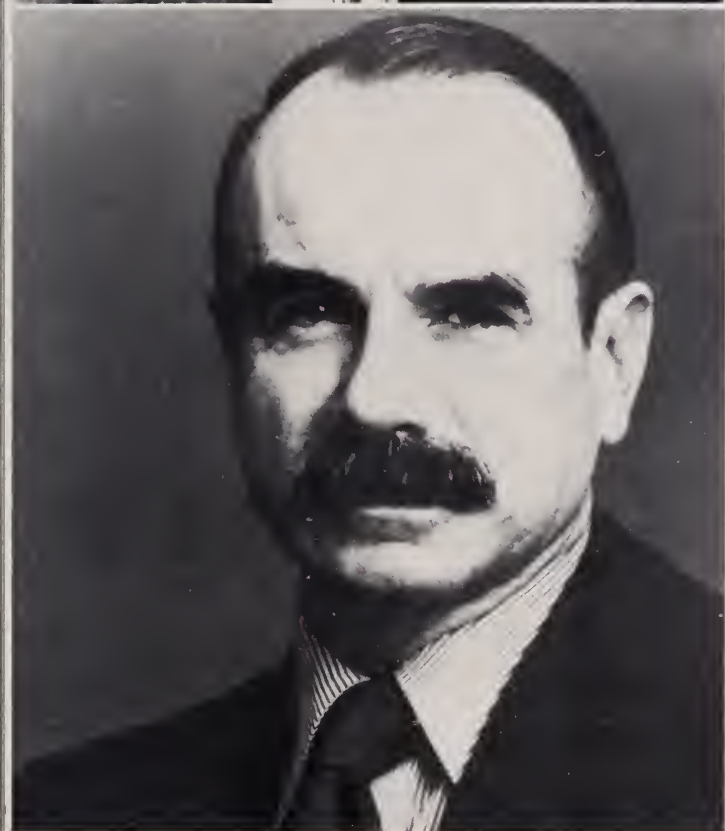

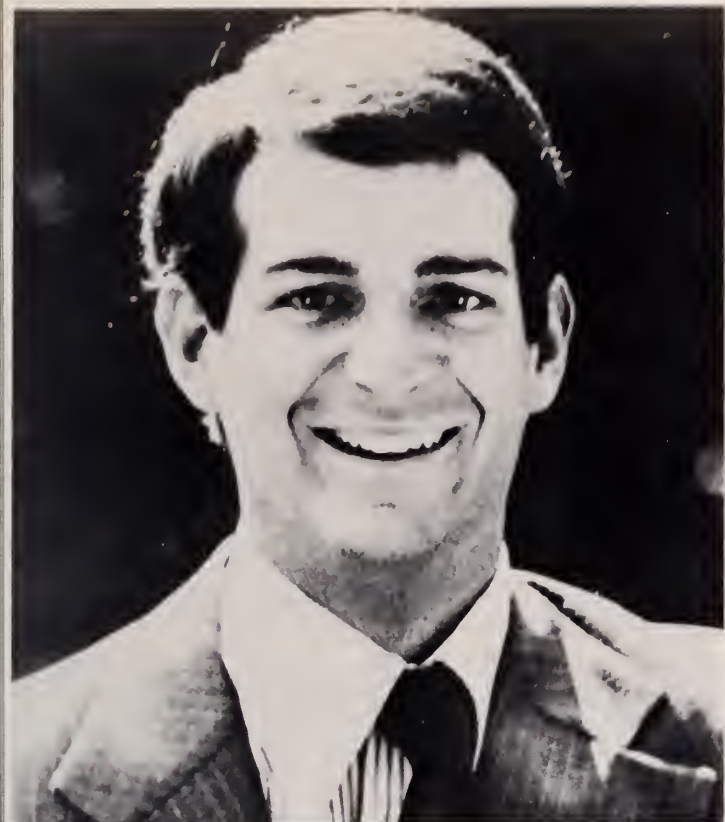

We are sure that those who attended were given a new look at the campaign policies of the candidates were then more than ever interested in the election turnout.

## G. Gordon Liddy

Watergate came to USL in October, in the form of G. Gordon Liddy. Liddy, the convicted Watergate mastermind, spoke to a full house in the Union Ballroom. Mr. Liddy received a standing ovation for his speech. It was obvious that the students, along with most people in the country felt that Mr. Liddy was indeed one of the best speakers of 1980.

Liddy spoke about the "state of illusion" that the U.S. is suffering from with regard to national problems. He accused the U.S. population of being "completely unable to apprehend reality."

Anticipating hostility, Liddy was taken by surprise and pleased at the warm reception he received from the students here at USL.

Lagniappe is a word familiar to folks in this part of the country. Lagniappe simply means "something extra." Well, everyone deserves a little something extra at least once in a lifetime, but the students here at USL have something extra every spring semester — Lagniappe Day.

On Lagniappe Day there are no classes, only fun and games. It's the day of team spirit at its peak, pleasant entertainment, boudin, beer, face-painting, and to top it off — crawfish.

The Student Government Association and the Programs Council are responsible for Lagniappe Day. The team sports, which this year included the Coca-Cola Can Stack, the Peanut Butter Eating Contest, the Egg Toss, and the Grueling Tug-O-War are all coordinated by the Free-Time Activities Department under the direction of Al Alemany. This past Lagniappe Day was one of cloudy skies and frequent rains, but that didn't hamper the activities in the least. The ground was like slush which made it the sloppiest tug-o-war ever. Concluding the team sports was one of the biggest Coca-Cola and mud fights to ever take place — it was not on the original list of events but it seemed to fit in well.

The bands, originally scheduled to play outside, were moved inside to the Union, along with the concessions and face painting.

The only injuries from Lagniappe Day were the stomachs of the people in the Peanut Butter Eating Contest — speaking from experience, it was awful.

As you can see in the photos, the rain did not stop the crowds from coming to the festivities. Although there wasn't quite as much room in the Union as there would have been outside, nothing killed the spirit.

Also pictured is Joe Aronson, a famous caricature artist. Joe did several portraits for Lagniappe Day.

In our last photo we see what may be the beginning of a masterpiece. The Lagniappe Day face painters did a variety of artwork, all easily washable, of course.

The entertainment for Lagniappe Day included a demonstration of Frisbee techniques. The Frisbee champs from the National team of "Martha Brings 'Em Back" performed and instructed students during a break between bands.

Next we see a member of the Society for Creative Anachronisms posing for our photographer.

Here we also have a look at the "Battle of the Sexes" competition held in the Union. The girls pictured are from Tri-Sigma Sorority.

Other entertainment was provided from the locally well-known rock band FREEZE.

Max the Robot, a remote control robot who walks and talks, also did his best to get in on the festivities.

Pictured here is Phil Beriden, also known as Lord Duncan Duquene, who is shown before, during, and after his Third Annual Cypress Lake Jump. Phil is noted most for his courage — although Cypress Lake is a man-made swamp, it comes complete with slime, creepy-crawlies, and alligators.

Shown below we have Mary Galyean trying to dunk Tommy Didier. The Dunking booth is a regular attraction at USL. Proceeds from the booth go toward funding the SGA Day Care Center.

In the bottom, right-hand picture, we have the team of "Martha Brings 'Em Back." Martha, the black labrador retriever entertained students on Lagniappe Day with her unusual talent . . . Martha has been trained to catch a frisbee in mid-flight and bring it back to the thrower. Martha's "assistants" (also pictured) entertained students by doing different tricks and techniques with Frisbees. As mentioned on the previous page the team shared some of the secrets with our students.

## THE FINALE —

Lagniappe Day ends in the best way possible, with good food, good drink, and that good ol' Cajun music.

Every year the students gather at Blackham Coliseum for one of the largest crawfish boils around. The menu was complete with potato salad and French bread. Of course, there was something to wash it all down — good cold beer.

Merlin Fontenot and his band enjoyed entertaining the students during the crawfish boil — and why shouldn't they? — the folks here at USL are among the friendliest and, undoubtedly, the most fun-loving of any others around.

As you can see by the pictures, the students seem to have forgotten all about the rain. What better way to end Lagniappe Day than to do it with a real Ragin' Cajun feast?

The USL Fashion Committee Presents . . .

# 1980 Bridal Fair

The USL Fashion Committee, in cooperation with Goudchaux's, presented the 1980 Bridal Fair. The Bridal Fair took place in the Union Ballroom on February 6, 1980.

Most of the models who participated in the show were USL students, some were Goudchaux's personnel. Along with the modeling there were exhibits of food tables from Anna's Kountry Korner, flower arrangements by Country Cottage Florist and pictures from Maison de Portrait.

Although there is not enough room to list each and every model's name and photograph, we chose one photo from almost every category to give you some idea of how well things went.

# Profile ... Robert Diggs: New Experiences

Robert Diggs, the first minority student to be elected to the presidency of the SGA, took office on August 18, 1980.

Mr. Diggs is a student in the college of Commerce, where he majors in management. Robert is also a member of the Alpha Phi Omega fraternity and the Blue Key Honor Society.

When asked what were his reasons for running for the SGA Presidency Mr. Diggs replied as follows:

"I felt students had needs that were not being taken care of. I felt that there needed to be a stronger chain of communication between the students and the SGA. I felt that I had the ability to do something about it."

Robert was also asked if there were any significance in the fact that he is the first black SGA president. He replied:

"Here at USL there are hundreds of nationalities and more different races than at most schools in the country. The only significance is that the people chose the candidate that they felt was most qualified and put the racial barriers aside."

# And New Ideas For Us

Further along in the interview when Robert was asked if he has done something about the communication problem, he told us, "I have gone to at least one meeting of every organization on campus. The results were overwhelming. People drop by the office and keep me posted on all of the events going on and we here at the SGA help to solve any problems that may occur."

Robert's advice to any student running for the SGA Presidency, or any other office was this:

"More than anything . . . you have to believe in yourself. You must believe that you are capable and able to handle the job, and be willing to accept the responsibilities.

USL is a unique university, mainly because of its diversified population. One has to be willing to listen to all of the students and put race aside. If you feel that you can do that — GO FOR IT!"

# What's It All About?

# U L DAY

## What is UL Day?

UL Day was sponsored by the Student Government Association and held on September 19, 1980 in front of Dupre Library.

The purpose of UL Day was to inform the students as to the reasons behind the proposed name change.

After speaking with some SGA members, we were given these reasons for the name change —

1) We are not "Southwestern" but South Central Louisiana.

2) In initial student population, our university is the *SECOND* largest university in the state. We deserve more recognition than a regional university.

3) The Associated Press International has made a statement that any school with a regional name will not be printed; therefore, any school name which denotes minor state university status, will not be printed in its entirety.

4) The name *University of Southwestern Louisiana* is too long for the newspapers, TV, etc.

5) When USL was SLI, there were never any outstanding programs, but in the past 10 years it has grown in quality in the programs it offers. For example, USL has the 2nd ranked computer science program in the nation — it is second only to Massachusetts Institute of Technology.

6) One of the suggestions from the A.A.C.S.B. (regional accreditation board) (when they came to accredit some of our programs) was that this university needed a "name change."

Will USL be changed to UL? Right now, no one knows for sure. The students approved the change in an election last spring ... bumper stickers and t-shirts can be seen all around campus in the support of the name change. If nothing else, the idea of *UL* is uniting the students and giving the bookstores a new way to make money.

"Beat as a slang word goes back to the jargon of black musicians in the 1930's, perhaps as far back as the 1920's. Then it meant simply 'exhausted, worn out.' 'Man, I'm beat,' would be a typical remark at the end of a long session. In the late 1940's and early 1950's a West Coast cult of writers, low in talent but high in publicity potential, labeled themselves 'The Beats' or 'The Beat Generation.' At this point, unshaven faces and untidy clothing became a part of the uniform of the beats, and one of them — Kerouac, we believe — had the consummate bad taste to invent an origin for the term. Beat, he opined, was short for 'beatified,' thus sanctifying himself and his talentless fellow travelers."

# Free Time?

Often we hear students complaining of shortages on this campus, and one thing that seems to be in short supply around here is free time. Although the university cannot give students more free time, they have come up with ways to help you spend any free time that you might have.

The Free Time Activities office in Judice Hall rents and lends out all sorts of sports and leisure time equipment. The office is also in charge of free time in the gymnasiums and at the Aerobic Center located in McNaspy Stadium, as well as the tennis courts.

The student on roller skates did not get the skates from the Free Time Activities Office, but maybe he was going over there to see what they might have to offer.

# A New Sound ...

There were a lot of new sounds on the USL campus this past year. Disco slowly made way for progressive country, the new wave sounds came in, but a little closer to home were the chimes that were installed in the tower at Stevens Hall.

The chimes can be heard every fifteen minutes throughout the campus and neighboring area. Every other hour on the hour the chimes play a melody — anything from the USL fight song, to Stairway to Heaven, to Amazing Grace may be heard.

The chimes were graciously donated by Mr. Richard D'Aquin, publisher of The Daily Advertiser and a member of the state Board of Regents.

Although the bells are in the clock tower, the clock still has not been repaired. When the clock is repaired, however, the chimes and the clock will be synchronized.

The students' opinions about the chimes seem to vary. Out of a random survey of 209 students and faculty members the results were as follows: 118 were pleased with the chimes, 74 people offered no relevant comment, and 17 people felt that the chimes were a nuisance.

Of the 118 people in favor of the chimes, most said that they were an effective way of letting both students and teachers know what time it was, or to put in their own terms, "the chimes let us know how much time that we have left."

# Friday October 3, The USL Entertainment Committee Presents ...

The Charlie Daniels Band came to USL on a crest of a new wave of country music. The band performed before a responsive crowd in Blackham Coliseum on Oct. 3, 1980.

Daniels, who has always been famous for progressive country sounds, has enjoyed immense success since his appearance in the summer hit movie "Urban Cowboy."

The Charlie Daniels Band has been organized since 1971 and has seven albums to date, including one gold album, "Fire on the Mountain." Daniels attributes the success of his band and their music to their habit of following their feelings. Daniels was quoted as saying, "We like to think that if we make music that makes us feel good, it will make other people feel good."

At a ceremony before the concert, the Lafayette Chamber of Commerce presented Daniels with a key to the city and gave him the title of "Honorary Cajun."

# L I T H E D I R T B A N D

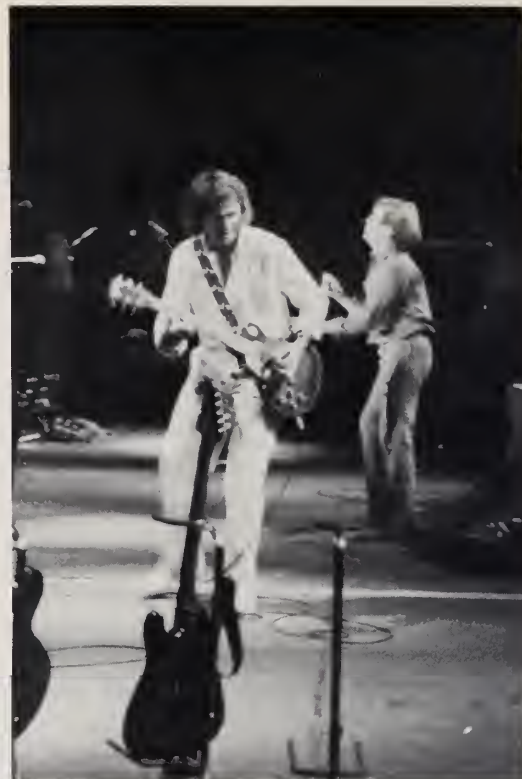

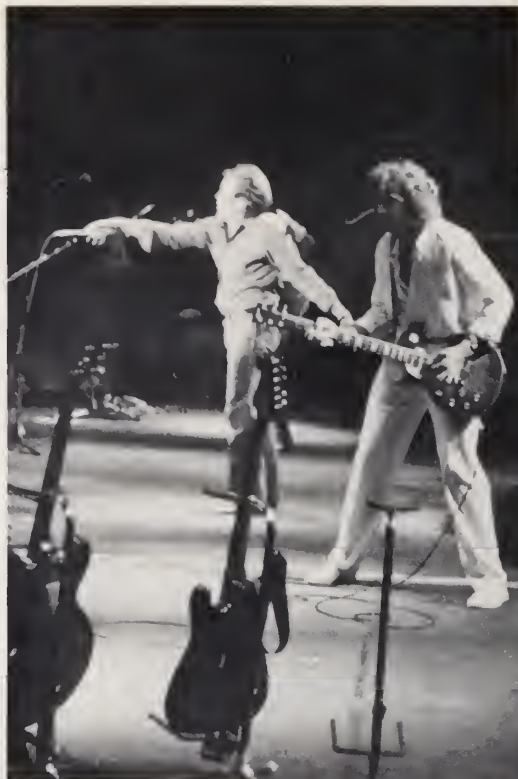

An anxious crowd got a double treat on Oct. 12 in Blackham Coliseum when the Little River Band and the Dirt Band performed live in concert.

The Little River Band, since its existence in 1975, has enjoyed immense success. So far the band has accrued over a dozen gold albums and single awards and has seen two of its albums go into platinum in the United States.

The band members are all graduates of other Australian and British rock-and-roll and progressive rock groups.

The crowd just couldn't seem to get enough. That Cajun enthusiasm shown through song after song. It was a meeting of the earth's elements as the rush of water met with fine dirt to make electrifying mix.

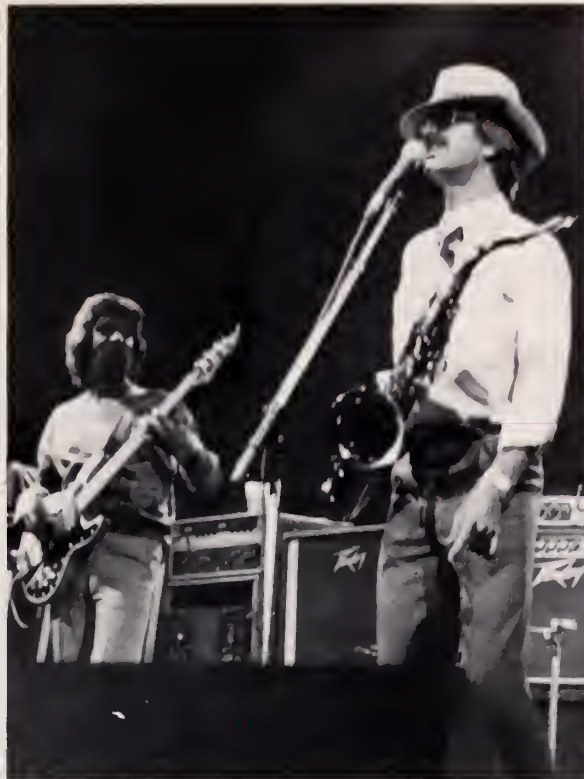

The Little River Band members pictured from left to right are: Beeb Birtles, David Briggs, Derek Pellicci, Graham Goble and Glenn Shorrock.

The Dirt Band, formerly the Nitty Gritty Dirt Band, shared in the spotlight that night.

In 1976 the Dirt Band dropped the "Nitty Gritty" description which had been with them for the past ten years. The Dirt Band is now into a newer and livelier style.

The Dirt Band has the distinction of being the first rock group to be invited to perform in the Soviet Union.

After their performance at Blackham, there is no wonder why. It was surely a concert worth double the money.

The USL English Department Presents . . .

## Isaac Bashevis Singer

A warm welcome was given to the winner of the 1978 Nobel Prize for literature, Isaac Bashevis Singer. Singer addressed a full auditorium at Angelle Hall on Oct. 23, 1980.

Singer was born in a small town in Poland just at the turn of the century. He then moved to Warsaw and attended the Warsaw Rabbinical Seminary. He left the seminary in 1935, however, emigrated to the United States, where he became a journalist and fiction writer. Most of his stories have been fictional accounts of his life in pre-World War II Poland.

Sponsored by a donation from Flora Levy of Lafayette, Singer's address was on "My Personal Conception of Religion." The Nobel Prize winner was selected for the honor, according to the Nobel Prize Committee, for his "impressioned narrative art which . . . brings universal human conditions to life."

The standing room only crowd in the Union Ballroom was captivated by the feats of the "World's Foremost Mentalist," the Amazing Kreskin.

Kreskin managed to convince volunteers from the audience that a man, all but his shoes, had disappeared. He claimed to have done this through the power of suggestion. He then snapped his fingers which made the volunteers return to reality, thus making the man reappear.

Kreskin has appeared on numerous talk shows here and abroad. He said that he believes that the mind possesses untapped resources, and that the real magic is in developing these resources.

The scene is in an area of bare ground outside the city of Troy. After 10 years of war Greek invaders have defeated the Trojans and captured the city. Now the Greeks hastily prepare to depart, taking with them as prizes of war the few living Trojan women.

# USL RAGIN CAJUN BAND

With the sound of an "oomp-pah," the "rat-a-tat-tat" of drums and strains of horns, the "Pride of Acadiana Marching Band" kicks off every USL home football game.

Under the direction of Jim Goodman, the band is now recognized as one of the finest university marching bands in the country. During the past eight years, the band has led the way in establishing new concepts for marching bands in the area by performing the very best in musical arrangements and constantly introducing new drill concepts as they are developed.

The band is now well into "Corps style" performance which features exciting musical selections, a dynamic rifle and flag line and a drill format that makes halftime performances just as entertaining as any Broadway musical show.

The band's talent is not only limited to halftime. You can hear the band playing throughout a game — ready at any minute to play the Ragin Cajun fight song in honor of a USL touchdown.

# P R I D E O F A C A D I A N A

The band's red, white, and black uniforms, including the symbol of Acadiana; the French Fleur de lis, make an impressive sight on and off the field. USL band uniforms are also easily distinguished from any others.

The band puts in many hours of practice weekly and it has paid off. The USL band performed one of their marvelous halftime shows in the Superdome this past Saints season.

The band can also be found playing their hearts and souls out at a USL pep rally. Without the band, the pep rally would not seem complete.

The USL band can also be seen marching in local parades, spreading their Ragin Cajun spirit throughout Acadiana.

Lots of planning goes into every band performance. It takes many hours just to figure out marching patterns and themes for each different show. All the hours seem worth it, though once you hear and see the "Pride of Acadiana" in all its glory — creating a highly charged atmosphere for the fans of US.

# Presenting ...

## U S L O p e r a G u i l d

On November 13 and 14 the USL Opera Guild opened their 20th season with the Rodgers and Hammerstein's classic *Oklahoma!*

*Oklahoma!*, Rodgers and Hammerstein's first collaboration was based on Lynn Riggs' *Green Grow the Lilacs*, and opened on Broadway in March of 1942.

"Possibly no other Broadway musical has produced more memorable music than *Oklahoma!*," says Opera Guild director G.S. Beaman Griffin.

The musical included such favorites as, "Oh What a Beautiful Morning," "The Surrey With the Fringe On Top," "Kansas City," "I Can't Say No," and "People Will Say We're in Love."

The choreography for the production was done by Muriel Moreland, USL Professor of Dance, James Brown, Instructor of Dance, and members of the Dance Company.

Charles Fuller, USL assistant professor of music, conducted the show and Dr. Peter Tiboris, USL associate professor of music, was the choral director.

The musical was a great success.

Miss Varron Walker of Marrero. Miss Walker is a Senior in communicative disorders and a member of Delta Sigma Theta Sorority, and choreographer of the USL Sweethearts. Miss Walker was escorted by Mr. Harold Porter. Mr. Porter was inducted Homecoming night to the USL Hall of Fame. Mr. Porter was being recognized for his outstanding contributions to the USL track team.

Miss Denise Parent of New Orleans. Miss Parent is a Senior in Merchandising, a member of the USL Fashion Committee, and the USL Marketing Club. Miss Parent was escorted by Dr. Dave Fisher, former member of the College of Health and Physical Education faculty and was voted one of USL's Outstanding Alumni for 1980.

## 1980 Homecoming Queen

Our Homecoming Queen for 1980 was Miss Peggy Kinn of Lafayette. Miss Kinn is an honors student in computer science, a member of the Tri-Delta sorority, and USL's Head Cheerleader. Miss Kinn was escorted by Mr. Robert Diggs. Mr. Diggs is a senior in the college of commerce and USL's 1980-81 SGA President.

Miss Karen Reed of Baker. Miss Reed is a junior in the Executive Secretary curriculum, a member of the University Gospel Chorus and recipient of several scholarships. Miss Reed was escorted by Dean Herbert Hamilton. Dean Hamilton is a former Dean of the College of Commerce and was voted one of USL's outstanding Alumni for 1980.

Miss Anna Gray of Lafayette. Miss Gray is a junior in Communication, a member of the Kappa Delta sorority and a Dean's List Student. Ms. Gray was escorted by Mr. Glynn Abel of Lafayette. Mr. Abel was voted one of USL's Outstanding Alumni for 1980.

Miss Dawn Stelley of Opelousas. Miss Stelley is a Senior psychology major, a member of the Kappa Delta sorority, a USL Cheerleader, a USL gymnast, and a Dean's List Student. Miss Stelley was escorted by Mr. Rayburn Bertrand. Mr. Bertrand is a former Mayor of Lafayette, presently the Vice President of Guaranty Bank & Trust Co. and was voted one of USL's Outstanding Alumni of 1980.

# Keeping That Spirit Up!!!

One thing can be said about a USL Homecoming — Spirit in giant supply! You can see here that everyone gets into the act.

Our own USL Marching Band was at its usual best. The Alumni Band surely gave it their all for the old Alma Mater.

The football team was excited, as we can see below, and why not? They had just made a touchdown on the opening kickoff to La. Tech. Our team recovered a fumble and went for it with success.

The crowds seemed to be in high gear as they wave their hats off to USL.

The Ira Nelson Horticulture Center is also a part of the USL campus. Located on Johnston St., the horticulture center houses thousands of plants, both experimental and hybrids. The center, with its many blooming bushes out front gives an attractive touch to an otherwise crowded street. The horticulture students benefit very much from the experience and knowledge gained at the center.

# SPECIAL FEATURE

Pictured here is Charlie Brown, not the one that we have always heard about, but that is his name nonetheless. Well, Charlie Brown led a dog's life and was even treated like a dog, but his owner loved him very dearly. He never bit the hand that fed him, and no one ever bit the hair of that dog, either. The sad thing is that one day Charlie Brown was stolen from his home and his master who loved him. Poor Charlie Brown is sadly missed. If you recognize this dog (his coat is golden), you can help reunite him with his owner through an ad in the Vermilion. That would be doggone nice of you.

## Disaster?

Well, for some, driving in these conditions is pretty hazardous. The street scenes were taken on Congress St. and at the Jefferson St. railroad crossing (the tunnel below the track is completely flooded). Traffic can come to a complete standstill in these conditions. Many houses are threatened by water damage. Sometimes the rain is a welcomed and needed happening.

# Free Spirits

All too often we get so caught up in our schoolwork and our jobs that we do not take the time to enjoy the simpler, more enjoyable things in life. Take a closer look around you . . . take the time to enjoy the real pleasures in life. You might get more out of life in the long run.

# Shopping

Students spend many hours in the variety of stores that the Lafayette area has to choose from.

It takes a long search to find just what you're looking for at a price that a student's budget can afford.

# Choreography

Practice makes perfect:

Alysia Daspit, Kay Berry, (both of Lafayette) and Angela Lawson (Lake Charles) are seen rehearsing "Vavaldi Variation" for the choreodance performance which was held April 16 and 17 in the Fletcher Hall Media Center. The Choreodance program consisted of dance performances by students majoring in choreographic design and art films created by students majoring in media.

High Steppin' — Dorothy Rogers (Covington) a senior dance major at USL presented three dances of her own choreography at the November 19 and 20 presentation of the USL Choreodance Theater. Rogers' dances were entitled: "Dark Blue Window," "Sojourn," and "In the Making." The dances made use of a set of small boxes as a connecting visual theme.

The concert also consisted of other numbers choreographed by other dance majors, as well as by Jim Brown, Instructor of Dance at USL.

Whether its a festival in the park or in Breaux Bridge, Cajuns have a lot to celebrate. There are festivals for everything ranging from alligators, boudin, crawfish, shrimp, yams, frogs, anything that you can name, there is probably a festival of it in Acadiana. You usually don't have to look far for a celebration in Acadiana.

# Ronald Reagan Elected

## Where Reagan Stood on the Issues

Taken from "Facing the Issues," by Kirkland Ropp, (October 31, 1980 Vermilion)

**Ecology** — Reagan says if elected president he will "reorient" both the Environmental Protection Agency and the Clean Air Act, saying the act caused factory shut-downs and unemployment.

**Energy** — All three candidates pledge to "investigate" solar energy. Reagan is for removing price controls on crude oil and natural gas.

**Equality** — Reagan is unequivocally opposed to the Equal Rights Amendment.

**Abortion** — Reagan is opposed to abortion.

**Defense** — Anderson and Reagan oppose the reinstitution of a peace-time draft registration.

Carter and Reagan have long fought over Reagan's opposition to the *Salt II* treaty, with Carter claiming Reagan would "start a nuclear arms race as a card to be played against the Soviet Union."

Reagan favored the program (MX Missile program) although Carter recently suspended production. All three candidates favor a healthy defense budget. Reagan is in favor of the B-1 bomber, the cruise missile, and the neutron bomb.

**Gun Control** — Reagan does not favor gun control.

**Education** — (Taken from an article which appeared in the same Verm issue, written by College Press Services.)

"Reagan wants to restore the integrity of our higher education system, especially the student loan program. Most of all, he believes that if we fix the economy, that would be the best solution for our colleges."

**Economy** — Reagan points to his record as governor of California, saying that in two terms he stabilized the economy and saved the tax payers \$161 million.

Here are the results of a survey printed in the Oct. 31 issue of the Vermilion, by Kirkland Ropp.

The Verm polled 100 registered voters this week to see who they plan to support in Tuesday's election.

Of those polled, 11 said they had not yet decided if they would cast their vote, most saying they didn't know which of the candidates to vote for.

Twenty-one students are undecided and some said they would make up their minds "when I go to the polls." Of those with firm decisions, President Carter has the majority with 41 votes. Republican candidate Ronald Reagan has 33 votes and the independent candidate John Anderson has 5. Neither Libertarian Party candidate Ed Clark nor Citizen's Party Barry Commoner received a vote.

The general consensus among students was that they would rather vote for a winner than vote for the man they had supported in the past. As one student put it, "I wanted to vote for Anderson, but I'm gonna vote Carter 'cause Anderson can't win."

Well, there you have what the students thought about the upcoming election. When the results were in, Reagan won by an overwhelming margin. Maybe now we want to look back and see what Reagan promised, and see what we're getting now.

Our school gets looked at from all directions.  
 What can it be that others see?  
 Do they see it all as we do?  
 Or do they just see it as just another  
 place? Let us take a closer look  
 the way that others may see us.

Others may view our campus as a place where "college kids goof off." Our campus is a place where people really get things done, and learn more than even they realize. Experience is what makes college life so unique. A price cannot be put on the amount of knowledge that we gain from the experiences of others. It is the people of our campus that make it what it really is. That's what being a Ragin' Cajun is all about.

# Cajun Baseball — Year

1980 Record  
19-29-2

All-Southland Conference centerfielder Jerry Nalley was definitely a bright spot for the Cajuns. The transfer from Chattahoochee Valley JC ended his two-year career with 11 team records. He had most total bases (101) and triples (8) in the 1979 season. In 1980 he hit a grand slam against Lamar, had two home runs against Louisiana Tech and also against McNeese. He batted over .300 in both years at USL.

The year started out in grand fashion for USL's 1980 baseball squad as the Ragin' Cajuns won five of their first six games — it ended just the opposite as USL dropped its last five to end the 1980 baseball campaign with a 19-29-2 overall mark and a 1-13-1 slate in Southland Conference play.

USL's overall mark was an improvement of its 14-32 record in 1979, and the Cajuns handed Lamar its only conference loss of the season.

Statistically, the Cajuns were improved in hitting, pitching and fielding. USL hit .256, registered a 4.40 earned run average and had a .955 fielding percentage, up 28 points from 1979.

Four individuals hit .300 or better this season including last year's leader, Jerry Nalley, who hit .304 (.330 in '79).

The leader for 1980 was JC transfer first baseman, Craig Fryman, who hit .319. Fryman also led the Cajuns in home runs (9), slugging percentage (.578) and walks (33). In the field, he set USL records for total chances (398) and put outs (370).

The other .300 hitters were designated hitter David Guidry (.305) and second baseman Joey Boni (.300).

Catcher-designated hitter Jim Nance displayed the greatest jump in batting average, going from .195 in 1979 to .276.

Pitching had its ups and downs throughout the season but most were due to injuries to key members of the staff. Reliever Jerry Carroll hurled 19 innings with a 0.95 ERA before going out with arm trouble and reliever Wayne Bares (1-3, 3.97 ERA) suffered a rib cartilage injury. Starter Mike Hebert (2-4, 6.70 ERA) never did completely come back from shoulder surgery and Robert Dunphy missed the entire season due to a shoulder operation.

Guidry gave the Cajuns a lift both with his bat and his arm as the former USL quarterback hurled 24 innings this spring with a 1.88 ERA. Guidry hurled a one-hitter in his first college start versus Canisius College.

Besides Fryman's fielding records, shortstop Mark Lalande set a season mark for assists (126).

# Young Cajun Tracksters

USL's Ragin' Cajun tracksters nearly doubled their point total from 1979, but finished the same in the Southland Conference Meet — last.

The 1980 squad scored 55 points in the SLC meet as compared to 31 for the 1979 team, and only two seniors are gone from the 1980 squad.

After back-to-back cellar finishes for USL, 17-year veteran track coach Bob Cole will look to his top returning performers and a bevy of incoming freshmen to remedy the frustration.

"We've got the nucleus of a good team coming back," says Cole. "It's there, now all we have to do is build on it."

During the 1980 summer, Cole signed two JC All-Americans and four Louisiana state track champions to go along with his eight returning freshmen.

The only losses are pole vaulter Garry Brodhead, the school co-record holder (15-6) and sprinter Mike Hester who finished second in the SLC meet, but was disqualified.

Back are school record-holders Jay Martin in the 1,500-meters (3:51.9), Gervy Papion in the steeplechase (9:01.6) and Don Arnold in the triple jump (51-5½); as well as SLC champions Martin Lawson in the high hurdles (14.2) and Richard Robinson in the javelin (223-8).

For the second time in two years, injuries kept the Cajuns from performing at full speed. Junior Sid Banks, who finished second in the SLC 400-meter dash as a freshman, couldn't run after the prelims.

"We just always seem to be hurt," said Cole.

USL's 17-year track coach Bob Cole isn't used to the bottom. He's had only six conference finishes lower than second.

Assistant coach Tom Nolan was three-time All-SLC performer for USL.

# Take SLC Knocks

Pole vaulter Garry Brodhead is one of only two senior losses for the Cajuns. Brodhead is co-holder of the USL pole vault record at 15-6. His 1980 best was 15-0 at the conference meet in Ruston.

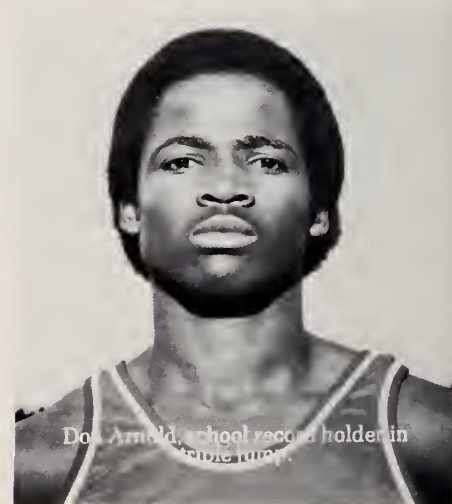

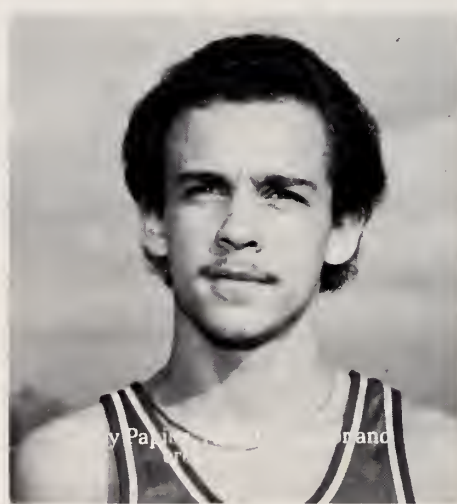

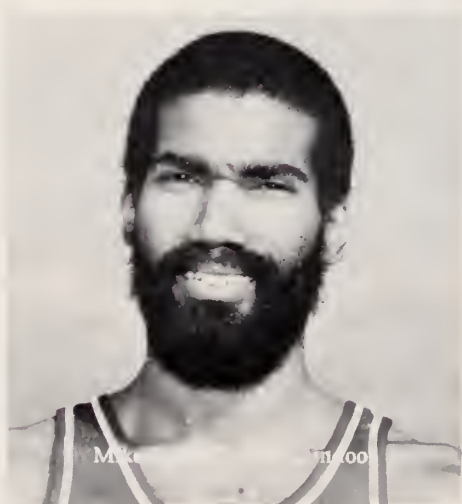

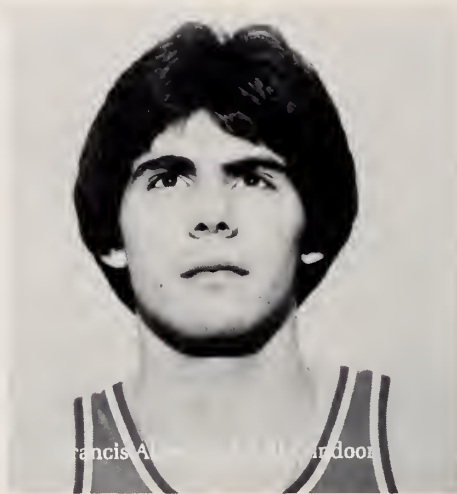

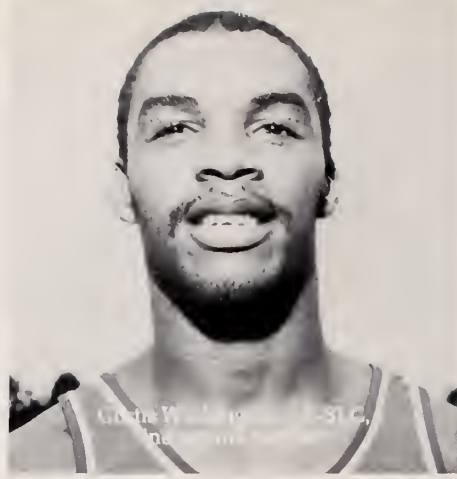

Mike Hester is the other senior loss for USL track. He had a career best in the 800-meters of 1:52.4. His 1980 best was 1:53.6. The always competitive Hester also ran on the 4800 meter relay team.

# Cajuns Rage to

It was USL's first playoff appearance in seven years and the Ragin' Cajuns made the most of it, reaching the quarterfinals of the 1980 National Invitational Tournament.

First up was the University of Alabama at Birmingham, at Blackham Coliseum, and the fans got their money's worth.

USL trailed throughout the first half, but built up a 68-62 six-point lead over the Blazers with 4:49 left.

The Blazers tied it at 72-all with 51 seconds left and had a chance for the last shot when All-American Andrew Toney picked up his fifth personal of the night.

UAB tried to play for the final shot, but a tenacious USL defense forced a five-second call on the Blazers and a jump ball between Craig Monroe and Oliver Robinson with 29 seconds left.

No one gained possession on the toss and in the resultant scramble, Monroe dove on the ball and pushed it to Dion Rainey.

The Cajuns then called time out with 18 seconds to go, and played for the last shot.

"Mr. Assist" Carl Jordan, got the ball to Rainey who swished the net from the left baseline with three seconds showing, to give USL a 74-72 NIT first-round win.

The Cajuns headed to Austin, Texas for a second-round bout with the Texas Longhorns.

There, the eyes of Texas saw it, but they still don't believe it. More than 9,000 fans at the Super Drum watched as Texas' 12-point second half lead diminished and Carl Jordan hit the game winning bucket with four seconds left, lifting the Cajuns to a 77-76 second-round NIT win.

But the clock struck twelve for the Cinderella Cajuns in the cold North against the Big Ten's Minnesota. The Cajuns' dead-eye shooting and quickness were no match for the Gophers' size.

Led by All-Big Ten senior, 6-11 Kevin McHale, 7-2 Randy Breuer and 6-10 Gary Holmes, the Gophers knocked USL out of the NIT with a 84-73 win.

**THE ASSIST** — USL's Carl Jordan set a school record with 225 assists in 1979-80, but this one to Dion Rainey was the most important. It led to Rainey's game winning shot. In the Texas clash, Jordan hit an off balance jumper with two seconds left giving USL a 77-76 win.

# NIT Victories!

## BASKETBALL

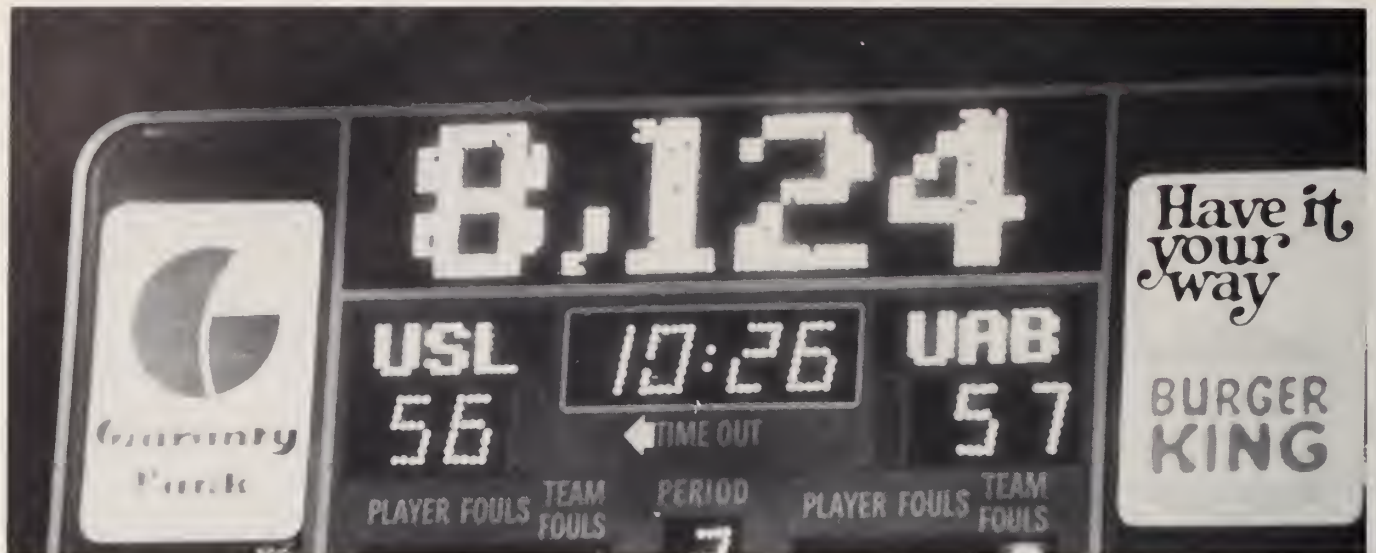

**THE WINNING SHOT** — USL's own "Mr. Clutch" Dion Rainey hits the game winner against Alabama-Birmingham, a 23-foot jumper from the left baseline with three seconds showing, to give USL a 74-72 NIT victory. Rainey was directly responsible for seven USL victories in his career.

## Cajuns Post 21-9 Record — 7th Best

THE DYNAMIC TRIO — Head coach Bobby Paschal (left) with assistants Bobby Bowman and Dennis Donaldson.

Second-year coach Bobby Paschal's Ragin' Cajuns finished the 1979-80 season with a 21-9 record, the seventh best mark in USL basketball history, after losing to Minnesota in the National Invitational Tournament quarterfinals which denied the Cajuns a trip to New York City.

"The loss to Minnesota shouldn't detract from what our team accomplished this season," said Paschal. "You're never satisfied unless you win the whole thing — but to be one of the top 24 teams remaining in post-season play is truly an accomplishment."

Behind every great team are some great individuals and USL had its share in seniors Andrew Toney, Dion Rainey and Carl Jordan.

Toney, a three-time honorable mention All-America and first team All-Southland Conference selection, finished his career as the nation's No. 10 scorer (26.1) and No. 13 all-time NCAA scorer with 2,526 points.

Toney led the SLC in scoring for the third straight year and finished his USL career as the Ragin' Cajuns No. 2 all-time scorer behind the legendary Dwight "Bo" Lamar.

He would've moved higher on the all-time career list had he not missed six games during the season (one to graduate and five because of a knee strain).

With Toney in the lineup the Cajuns were 19-5, without him 2-4.

In the NBA draft he was the No. 8 player picked, going to the Philadelphia 76ers in the first round.

USL had several close encounters — two one-point games, three two-point games, two three-point games and two four-point games — but seniors Rainey and Jordan made sure USL was on top in most.

Rainey won two games directly with shots in the last three seconds as he finished his distinguished career as USL's No. 10 all-time career scorer with 1,421 points.

Rainey made second team All-SLC for the second time in three years after finishing the season as USL's second-leading scorer (14.1) and rebounder (5.9).

Jordan finished his two-year career with three USL records — most assists in a season (225), best season assist average (7.5) and best career assist average (5.79).

Paschal has a 37-20 record (.649) after two years but will have to replace Toney, Rainey and Jordan in the 1980-81 season.

Kevin Figaro, USL's third-leading scorer with 13.4 points per game, and Wayne Julien, the Cajuns' fourth-leading scorer (12.8) and leading rebounder with almost nine per game, will be back. The Cajuns' key sixth man Craig Monroe will also be on hand for the new season.

The Cajuns averaged nearly 6,000 fans per game at the "Cow Palace" (5,634) to lead the SLC in attendance for the fifth straight year.

# Lady Cajuns Lookin'

"We took some big steps in the right direction this year," says USL Lady Cajun basketball coach Mary Jo Castell assessing her team's performance.

The Lady Cajuns finished the 1979-80 campaign with an 11-14 record after dropping their final decision of the season to semifinalist Northeast in the LAIAW State Tournament in Ruston.

"I'm proud of the way we came back off big losses and stayed tough throughout the year," says Castell. After a one-sided defeat at the hands of Southern Mississippi, USL reeled off four straight victories. Following a 33-point loss to McNeese, the Lady Cajuns buried UNO by 48. And, after dropping an 87-59 decision to Northeast, USL bounced back with an 86-68 win over Nicholls State two days later.

Statistically, the Lady Cajuns were led in scoring by a freshman while a junior led the squad on the boards. Freshman center Vicki Thibodeaux recorded the only double-figure average of the season with 14.4 points per game in 24 contests. Junior center Anne deMahy was USL's top rebounder with 8.8 boards per game.

The team's only senior, forward Margy Bayard, closed out her college basketball career with 901 points, scoring 210 this year. Bayard pumped in 28 points in her final regular season contest in USL's win over Nicholls State. Bayard also finished her career with more than 500 rebounds.

"We played well as a team this year even though it took us most of the season to really get to know each other," says Castell. Team play and defense were among the Lady Cajuns' strong points this season, but rebounding was their forte. USL was ranked in the top three in the state throughout the year and finished with a 47.9 board per game average.

FROM LEFT — (standing) Melanie Sanchez, Debbie Cochran, Tangie Hill, Vicki Thibodeaux, Bernadette Griffin, Margie Bayard, coach Mary Jo Castell (kneeling) Debbie Vincent, De'Nicia Dangerfield, Arnetta Staten (sitting) Linda Guilbeau, Valiree Letlow, Cindy Vincent, Geraldine Davis.

# Good — Finish 11-14

deMahy closed out her career at USL as the Lady Cajuns' all-time leading rebounder with 607 boards in 71 games. She averaged almost nine rebounds per game in 1980.

Six-foot freshman Vicki Thibodeaux was the Cajuns' leading scorer in 1979-80 with 345 points, averaging 14.4 points per game.

## LADY CAJUN BASKETBALL

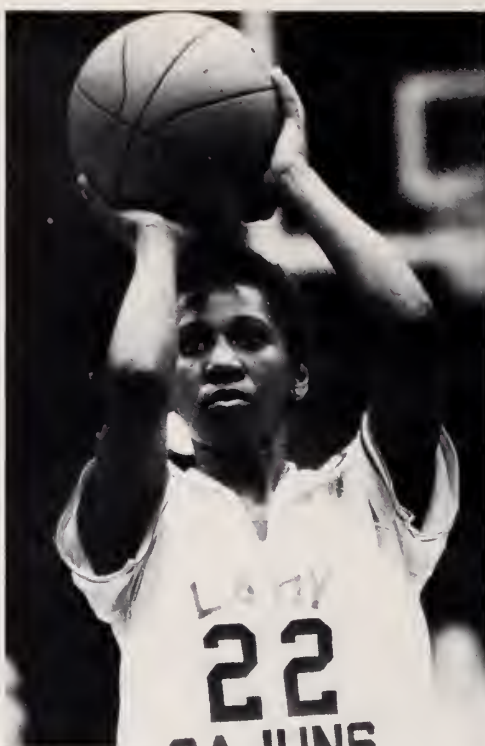

deMahy (30) seems to be saying "Give it to me," while Veronica Briscoe (42) looks on and Margy Bayard (32) gets in on the action against Northwestern. USL won the game 67-59.

# Fourth Straight

SAVING STAB — USL freshman Jim Price from Houston stretches and strains in the Cajuns' 5-4 win over SLC champion La. Tech.

USL's three-year reign as Southland Conference tennis champion ended, but the Cajuns' 20-8 record was the third best in the school's history and eight players finished with winning percentages above .600.

USL senior Bill Bryan broke Harry Barton's four-year-old record for career wins. The clutch performer finished his collegiate career with a 168-79-1 record and was 17-7 in singles this season.

"Our goals were to win 20 matches and the conference title," said Cajun coach Jerry Simmons. "We missed the second by one point."

The Cajuns entered the SLC tournament with a seven-point lead and looked like they might breeze to their

fourth straight title.

But a healthy Louisiana Tech team with a home court advantage chopped away at the lead and when it was over, the Bulldogs emerged a 42-41 winner to claim the title.

Some of USL's season highlights included a 5-4 win over six-time Mid-American conference champ Miami (Ohio) and a 6-3 win over Texas Tech in the Corpus Christi Team Tournament.

The Cajuns claimed regular season conference victories over Louisiana Tech (5-4), Lamar (8-1) and Arkansas State (9-0).

USL played most of its matches with three freshmen in the lineup

and freshman Van Barry's 20 wins were the most for any Cajun.

Senior Gary Bowles compiled the best percentage with a 13-5 (.722) on the year.

Juniors James Boustany and Toru Yonezawa compiled 19-11 and 18-12 records, respectively. Boustany was the No. 1 seed in the SLC tournament and reached the semifinals before being ousted by Tech's Paul Visnesky, 6-2, 6-2.

Yonezawa will be back in 1981 along with Jim Price (13-6).

It was supposed to be a rebuilding year, but USL almost made it another championship season.

# Cajun Golfers Claim

**TODD SWINGS** — USL junior Curt Todd shows his form during a practice round. The Atlanta, Georgia native finished with a 76.3 average.

Playing without No. 1 player Bill Carstens for most of the season, the USL golf team got off to a slow start.

But when Carstens returned from a hand injury with three tournaments remaining at the SLU Invitational, the Cajun golf fortunes improved.

Led by Carstens' rounds of 72-73, USL finished second at SLU with a 593 total — their best finish of the season.

Two weeks later, the Cajuns matched that second-place finish at the Southland Conference Championships (911), for USL's highest finish since 1977.

"I was very pleased with our results," says fourth-year golf coach Oliver Blanchard, who also coordinates the USL Roll-On. "We played

real well on another team's home course (Louisiana Tech), and played without our No. 3 man, Danny Langlinais, who was sick for the tournament.

"That loss didn't really hurt us, though. We rallied around our No. 6 player, Tom Poehler, who did a fine job for us."

Both Carstens and Lionel Bailey, both juniors, were All-SLC selections, after finishing third and fourth, respectively.

Carstens had rounds of 75-74-75 for a 224 total, while Bailey was two strokes back with rounds of 79-75-72 — 226.

Other finishes included Curt Todd (12th, 229), Scott Gabriel (21st, 239) and Poehler (22nd, 240).

"I'm really looking forward to 1981," says Blanchard. "For the first time since I've been here, we'll have an all-senior team."

## 1980 Results

# USL Super Tramp

LEFT — USL's trio of super trampolinists are (from L) Mary Rugheimer, Leigh Hennessy and Stuart Ransom. Ray Rowe is not pictured.

BELOW — Leigh Hennessy (right) watches practice at the World Championships in Switzerland.

USL's world class trampoline team continued its outstanding tradition in 1980, finishing first and second at the National Championships in both the men's and women's division.

The Cajun trampolinists also had the opportunity to compete at the World Cup Invitation in London and the World Championships in Brigg, Switzerland.

Members of the United States team who competed in the World Championships were chosen from three trial meets, culminating with the National Championships in Las Vegas.

The first trial was held in Montana with USL's Stuart Ransom taking top honors in the men's division and Leigh Hennessy doing the same in women's division. Mary Rugheimer, a native of Montana but competing for USL, was runner-up to Hennessy.

Then in May the Cajuns rolled up the Mississippi to Hanibal, Mo., where the USL members dominated again. This time it was Texan Ray Rowe finishing first for USL in the men's division and Hennessy was first for the ladies.

In July at the National Championships in Las Vegas it was all USL. Ransom was first with Rowe in second place for the men while Rugheimer and Hennessy finished one two, respectively, for the women.

Based on those trials, all four USL members wound up at the World Championships. Facing much stiffer competition from the Europeans, the Cajuns managed a fourth place finish by Ransom and an 11th place by Hennessy.

USL used to NCAA trampoline competition, until the sport was dropped. But what has made our team so good.

"It's hard to say," remarked 20-year veteran coach (and father of Leigh). "It's a kind of tradition."

And, hopefully, that tradition will continue.

Connie Chaisson

The USL Gymnastics Club is organized for three reasons according to coach Dawn Wilson. One, for team competition; two, for demonstration purposes in area schools; and three, just for fun and enjoyment.

"Through our demonstrations and exhibitions we try to develop an appreciation and awareness of gymnastics," says coach Wilson. "Our primary goal is fun and enjoyment."

Any student interested is eligible to come out and work with team.

Members of the 1980 squad included team captain and club president Denise Theriot, Dawn Stelley, Linda Baird, Kathy Joiner, Kathy Thibodeaux, Kathy Hall, Angie Prejean, Kathy Comeaux, Julie DeBlanc, Dale Keeney, Marty Baudoin and Connie Chaisson.

# Volleyball — Lady Cajun Style

Lafayette junior Terri Kolb goes up for a spike in USL's win over Southeastern.

Five-foot-eleven Julie Abrams can spike it, too. Opelousas freshman Melissa Babin is ready to help.

"We started out as 12 individuals and worked to become a team. We accomplished that," says USL Lady Cajun volleyball coach Sherry LeBas of her 1980 squad which finished 22-14 on the year and took fourth place at the state tournament.

Despite entering the season with seven freshmen, only one starter returning from 1979 and a new coach, the Lady Cajuns managed to break the 20-win barrier while defeating every team in the state at least once during the regular season, including the eventual state champs, Tulane.

"I'm proud of the team," says LeBas. "Considering what

we started with, you have to feel good about it all."

Although the enthusiasm and talent of the freshmen were a lift to the Lady Cajuns' spirit, the youth may have been a reason for the team's downfall at the LAIAW State Tournament held Nov. 6-8 in New Orleans.

"There were times I felt our mistakes were due to the lack of experience we had in pressure situations," says the coach.

But next season, the Lady Cajuns will not only be a talented team, they'll have another year's experience.

## ATHLETIC ADMINISTRATION

USL's athletic program is guided by two native Cajuns — Athletic Director Dan "Sonny" Roy from Carencro and Women's Coordinator Sherry LeBas from Opelousas.

Roy is in his fourth year at the Cajun athletic helm after serving the Ragin' Cajun cause for more than 20 years as a coach and athlete.

He is a 1958 graduate of USL having lettered in baseball and basketball.

After coaching stints at Breaux Bridge, Glen Oaks, USL and UT-El Paso, Roy returned to USL in 1977 to assume the job as Coordinator of Auxiliary Services.

He has committed USL to a Division I program while maintaining a sound financial footing.

Sherry LeBas' name is synonymous with USL's Women's Athletic Program. She has been in the director's chair of USL's women athletics for five years and this year she coached the Lady Cajun volleyball squad.

She graduated from USL in 1971 with a degree in physical education. LeBas is an active instructor on campus, teaching everything from dance to self-defense for women.

She was a cheerleader while attending USL and is currently the cheerleaders' sponsor.

# Surprise

# Surprise

# Surprise

When USL's Ragin' Cajuns took the field in August of 1980, they weren't supposed to finish any higher than fifth in the Southland Conference, according to the pre-season polls.

But somebody apparently forgot to show first-year head coach Sam Robertson and the rest of the Ragin' Cajuns the polls. USL fooled everyone by posting a 7-4 mark and finishing second in the conference, for the Cajuns' best performance in three years.

The road was rough at first, as the Cajuns got off to a 2-3 start, with all the losses coming on the road.

USL then reeled off five straight wins, including four conference victories, before meeting McNeese in the final showdown.

"The games we lost early in the year were very close," said coach Robertson. "I think it took us awhile to learn how to win."

Although the Cajuns finished 7-4, they were only 16 seconds away from being 9-2. Fresno State scored its winning TD with 15 seconds left in the game, and North Texas State managed to get its kicking team on the field and hit a field goal to sink the Cajuns as time expired.

But USL provided the hometown fans with plenty of satisfaction, winning every game at home for the first time since 1976.

USL finished the season as the leading defensive team in the conference and ranked among the top three teams in every statistical category, the only team in the league to pull that off.

"We had players who wanted to do something special this year," said Robertson. "They did the little things that a lot of people don't want to do, but that have to be done to be successful."

Robertson also had praise for the 17 seniors on the Cajun squad.

"Our seniors provided leadership for us all year both on and off the field," he said. "They were our designated coaches and they did a fine job."

And though Coach Robertson won't accept the credit for himself — Congratulations for being named "SLC Coach of the Year," and for a hell of a season.

*ILS SONT PARTIS* — The 1980 Ragin' Cajuns take the field at the start of their most successful season in three years. It also marked the start of a new era under Coach Sam Robertson.

# Cajuns Go 7-4, Finish 2nd

**SENIORS LEAD THE WAY** — Three seniors who had a lot to do with USL's success in 1980 were defensive end Randy Thomas, (UPPER LEFT), running back Rodney Smith (ABOVE), and quarterback Phil Reynolds. Thomas led USL's top-ranked defense with 103 tackles. Smith paced the backs with 496 yards, and Reynolds set four USL passing standards.

# Curses ... Foiled By McNeese, 14-0

Only defending conference champ McNeese could keep the Cajuns from the SLC crown and a trip to the Independence Bowl. And the Cowboys did it, taking a 14-0 win on a cold, rainy and muddy night in Lake Charles.

It was McNeese's seventh win over USL in eight years and only a 9-9 tie in 1977 kept the Cowboys from making it eight in a row.

But as Brad Kemp's camera shows on the opposite page, the Cowboys rustled a TD and an extra opportunity from the Cajuns.

The right-hand shot is MSU's first TD, but it is obvious that Mike Kysar's knee is down at least a couple of yards from the end zone. The bottom photograph shows Cowboy Rusty Guilbeau (87) roughing USL punter Larry Trussell. The ref ought to be in the stands. He said Guilbeau was blocked into Trussell and didn't call the penalty.

But it was a hard-played game and the Cowboys deserved to win. And though some McNeese fans like to say USL doesn't have any class, Sam Robertson proves them wrong as he congratulates Ernie Duplechain.

# USL Puts It Together

USL kicked off conference play against Arkansas State and after a long field goal attempt by ASU failed in the closing second, the Cajuns emerged a 3-0 winner. The win wasn't impressive, but it was the first of USL's five in-a-row. And after being beat in the final seconds in two previous games, it was a relief just to win.

## Rafael Septien — Dallas Cowboys

Septien has been in the NFL for four years. He's spent the last three seasons with the Dallas Cowboys after a season with the Los Angeles Rams.

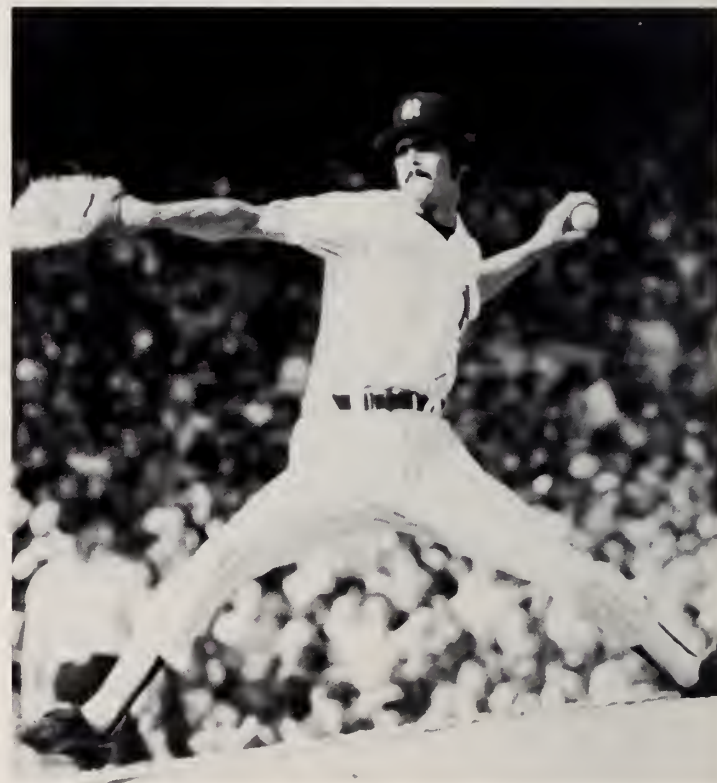

He has helped Dallas to the Divisional Playoffs (1979), the NFC title game (1980) and the Super Bowl (1978).

Ron Guidry fulfilled a boyhood dream when he became a starting pitcher for the New York Yankees. Guidry led the Yankees to the 1978 World Series title with an incredible 25-3 record.

He took his place among baseball's greatest pitchers winning the prestigious Cy Young Award for his 1978 performance.

## The Oakland Raiders

*Andrew Toney — Philadelphia 76ers*

The 76ers made it to the Eastern Division Championship last year, but newly arrived guard Andrew Toney may be the ingredient they need to go all the way. The USL All-American is starting as a rookie alongside the likes of the Doctor and Daryl Dawkins.

*Randy McClanahan — Oakland Raiders*

# To J.C. and J.C.

## DEDICATION

J. C. Hatcher

J. C. "Dutch" Reinhardt

This sports section is dedicated to two men who have been an inspiration in USL athletics — J. C. Hatcher and J. C. "Dutch" Reinhardt.

Their names may not be familiar to everyone but they're well-known within USL athletic circles.

J. C. Hatcher is a reporter — one of the best. He is the Acadiana Bureau Chief for the *Baton Rouge Morning Advocate* and has covered the Cajuns for more than a decade. He is a graduate of McNeese State and worked as sports editor of the *Daily Advertiser* for five years.

A car accident two years ago left "Hatch" in a wheel chair. But still, he manages to catch the Cajuns whenever he can and he can be seen speeding through the Athletic Complex in search of an interview.

J. C. "Dutch" Reinhardt has been involved in USL athletics since 1931. For 50 years he served USL as coach, trainer, intramural director, proctor of the men's dormitory and now at 72-years-old, he is still actively involved as Associate Athletic Director.

Dutch was honored in January 1980, when the street which winds through the athletic facilities was named after him.

Thank you both for what you have given USL.

Our hopes and prayers are with you and your families.

# At the Buzzer

**SPORTS INFORMATION STAFF** — They were a big help. (from L.) Graduate assistant Glen Chern, secretary Glenda Wiley and student assistant Tommy Badon.

**SID** — Dan McDonald is in his first year as SID at USL after coming from Northwestern.

## Thank You

A lot of work went into this sports section and it couldn't have been done without the help of a lot of people.

Good photographs were imperative and I'd like to thank the greatest photographers in the world for their contributions: Brad J. Kemp, Peter Piazza, Ron Berard, Bill Hamer, John Stephens, Ursula Quoyeser, Rolando Ruiz del Vizo and Guy Kilchrist.

Thanks go to Free Time Activities Director Al Alemany and Jeanne for their help with intramurals.

Thanks to the entire Athletic Department staff and especially the Sports Information Staff — Glen, Glenda and Bod.

Special thanks go to Sports Information Director Dan McDonald and former SID George Foster for bearing with me and for all their help.

I hope everybody finds the section entertaining and informative, but most of all, I hope it brings back some of the memories of an exciting year in USL sports.

## About the Sports Editor

Robbie Davis is a senior English-Journalism major from Opelousas. He has worked in the Sports Information office for four years and is the first ever two-time winner of the Ace Higgins Memorial Award which goes annually to the top student assistant in the state.

He has also served as a press aide at the 1979 National Junior Olympics in Lincoln, Neb., and the National AAU Boxing Championships in Lake Charles, La.

He is the editor of the USL basketball game program and has won two awards from CoSIDA for his programs.

He is also a sports correspondent for the *Morning Advocate*, the *Daily Iberian* and the *Times-Picayune*.

He is married to the former Tina Leger of Opelousas.

# Wesley Foundation

Officers of the Wesley Foundation include from left to right:

People who came to lunch at the Foundation one Thursday from left to right:  
ROW 1: Richard Duchamp (vice president-public relations), Terry Lawrence (secretary/treasurer), Bill Bailey (board representative), Karen Wright (vice president-programs/assistant student chaplain)

ROW 2: Barbara Butler (secretary), Rev. Dan Wilkers (1st Presbyterian Church), Jolene Louviere (board representative), Rev. Don Ross (campus minister/director), Rev. Gene Sargeant (Ascension Episcopal Church), Bob Mason (assistant student chaplain), Kirk Foster (president)

Wesley sponsors regular events such as retreats, Friday night activities, worship, Bible study, luncheons, special interest groups, trips, and service projects.

Wesley is a place and a people: a place with a Chapel, fireside stereo-lounge, TV cafe area, study/library room, offices, and a balcony; a people seeking other people and answers to life's many questions, and people giving, sharing, and teaching the message of God's love.

Wesley is an intentionally religious community called together by God as Father/Creator and therefore to each other as brothers and sisters. Our sponsoring churches seek to direct us to deepen, enrich, and mature our Christian faith as we develop the special disciplines of studying, thinking, prayer, and serving required of being a Christian student.

# Baptist Student Union

Members of the Executive Council are from left to right:  
 SITTING ON FLOOR: Karen Case, Falipe Gaitan  
 SITTING: Yvette Barlow, Sherry Curry, Lee Johnson, Deb Prothro  
 STANDING: Jay Comeaux, Mark Measures, Tom Overby

The Baptist Student Union at USL (located at 1226 Johnston Street) exists because of the desire of the churches of the Southern Baptist Convention to make known the gospel of Jesus Christ. BSU seeks to proclaim the gospel through its fellowship, its program, and its organization.

BSU is a *fellowship* of students who meet together to share insights and helps in living the Christian faith. This personal sharing and caring provides a support group for students seeking to live according to the lifestyle demanded by Jesus.

BSU is also a *program* for students. The program at USL consists of weekly experiences in worship, Bible study, evangelism, missions, and athletics. Through its program BSU seeks to meet the needs of USL students.

Finally, BSU is an *organization* involving students. As students get involved in BSU, they discover more about God and their relationship to Him and His people.

# Delta Sigma Theta Sorority

TOP The sorors of Delta Sigma Theta are: Kneeling: Karen Brown, Edwina Sam, Cheryl Mark, and Pam Morrison. Second Row: Juanita Perry, Charlene Ebow Hill, Angela Mason, Madeline Woods, Diane Lee, Linda Nash, Ella Holmes, Pamela Conway, and Judy Gipson. Third Row: Orida Broussard, Cathy Chase, Sandra Chaisson, Agnes Joubert, Lorraine McKenzie, Sandra Goodly, and Cheryl Benoit. BOTTOM The 1980-81 officers of Delta Sigma Theta Sorority are, from left to right: Floor: Pam Morrison (Treasurer) and Carlos Cooper (Recording Secretary). Sitting: Karen Brown (President) and Cheryl Mark (Second Vice President). Standing: Edwina Sam (First Vice President), Judy Gipson (Corresponding Secretary), and Pamela Conway (Sergeant-at-Arms).

At the inception of Delta Sigma Theta Sorority, founded in 1913 at Howard University, the Founders envisioned an organization of college women pledged to serious endeavor and community service. These youthful students demonstrated a vital concern for social welfare, academic excellence, and cultural enrichment, de-emphasizing the social side of sorority life. Their ideals of scholarship and service have withstood the test of time, and today Delta Sigma Theta is a public service organization dedicated to a program of sharing membership skills and organizational services in the public interest. In 1930, Delta Sigma Theta was incorporated. The record of incorporation is filed at the Congressional Library in Washington, D.C. Today, there are over 100,000 members in 650 chapters grouped in seven regions according to geographic areas. The chapters are located in 42 of the 50 states, including Alaska, the District of Columbia, Nassau, Bahamas, the Virgin Islands and Haiti in the Carribean, the Republic of Liberia in West Africa and in Frankfurt, West Germany, Europe.

# Chi Omega Sorority

Chi Omega is a sorority of young ladies devoted to good works, their school, and to one another, founded in 1895, Chi Omega has grown to be the largest sorority in the United States. Its colors of cardinal and strait and its symbol, the  $\Omega$ , hold a secret and very dear significance to all Chi Omegas. Placing first in homecoming sweepstakes in the fall of 1980 has continued the winning tradition of our Mu Theta Chapter.

# Alpha Kappa Alpha Sorority

Alpha Kappa Alpha was founded January 15, 1908 at Howard University Washington, D.C. the first Greek-letter organization among black women. From its inception, Alpha Kappa Alpha Sorority, Inc. stressed the high moral ideas. Alpha Kappa Alpha was the first black sorority nationally, as well as the first black sorority on U.S.L.'s campus. The greatness of Alpha Kappa Alpha Incorporated reached the institution of U.S.L. in 1967 through the formation of Epsilon Beta Chapter. These beautiful black women have in the past and will continue in the future to display, service, understanding, and comradeship at work. They contribute annually to the United Negro College, Sickle Cell Anemia Foundation, and raise money for causes such as Pollux House and the Helping Hand Fund. The officers of AKA are: President — Paulette Baptiste, Vice-President — Vanessa Dixon, Recording Secretary — Karla Rodney, Corresponding Secretary — Margaret Batiste, Treasurer — Shawn Poydras.

# Delta Delta Delta Sorority

Tri Delta members are: 1st Row: Susan Fournier, Drista Puyau, Carol Peccore, Kennedy, Carla Colman, Patty Sullivan, Karoline Karre, Margaret Freemin, Laurie Rees, Kaye Gulbeaux, Suzette Cochran, 4th Row: Jeannette, Janet, Beth Bourgue, 5th Row: Beth Delcambre, Lesa Dominique, Vickie Adolph, Faye Oldenburg, Amy Richard, 6th Row: Michelle Fontenot, Jennifer Boustany, 7th Row: Denise Vidrine, Margaret Osterburger, Rickie Jenkins, Celeste Roman, Stacey Stringer, Peggy Kinn, Eileen Dumesnil, Donna Boesch, Monica Richard, Julia Powell, Sarah Bartholomew, Laura Kenfro, Pam Gray, Becky Dominique, Veronica Dominique.

Officers of Delta Delta Delta are: President . . . Lesa A. Domnique, Vice-President . . . Kanna Richardson, Rec. Secretary . . . Donna Boesch, Treasurer . . . Ann Langlinais.

"To establish a perpetual bond of friendship among its members, to develop a stronger and more womanly character, to broaden the moral and intellectual life, and to assist its members in every possible way" . . . for these, and many other reasons does Delta Delta Delta exist.

College life is a span of challenges. To an incoming freshman, the first semester is probably the greatest challenge she will face during her entire four years! As she progresses, the decision to participate in extracurricular activities or to work or to do both, the application for graduation, her first job interview, and countless other events that are part of a college student's everyday life.

Through all of the ups and downs, Tri Delta remains a constant factor in its members' college years. It offers friends to laugh with, friends to cry with, empathetic listeners, study buddies, a chance to do service for others, and much more.

Delta Delta Delta, like college, is a growing experience.

# Sigma Nu Fraternity

Real friendships and brotherhood which you will find here can greatly ease your transition to this community and to college life. In our fraternity you will participate in an effective self-government system, learn to develop and emphasize your strengths, and help prepare yourself for the challenges and opportunities of later life.

As in any group experience, there are both privileges and responsibilities. In Sigma Nu, each brother is expected to shoulder his fair share, to do his part in finding the uncommon solutions to common problems. It's all a part of the challenge of working together in a common cause. Brotherhood in Sigma Nu is a dynamic relationship. Brotherhood is a common respect, interest, and concern for each man.

Sigma Nu has established itself as one of the leading campus organizations. This chapter at USL has achieved scholastic, sports, and homecoming awards. Among some of these feats are S.G.A. officers, Circle K, Blue Key, Honors program, Who's Who, and the Dean's List members.

Our chapter has been awarded the Dean's List Award for outstanding chapter and has captured the I.F.C. all sports award for numerous years.

"No one can achieve honor by doing what is wrong."

T. Jefferson

The Sigma Nu are: Dennis Foret — E. C. appointed, Treasurer, David Fisher — Pledge Marshal, Commander, Dan Hare — Lt. Commander, Ed Boustany — C. Elect.

# Phi Kappa Theta Fraternity

The La. Omicron chapter of Phi Kappa Theta was founded at USL on May 4, 1941 as Theta Kappa Phi fraternity. Theta Kappa Phi was the first fraternity founded at USL. On April 29, 1959, a significant event took place in the fraternity world. On that date the national fraternities of Theta Kappa Phi and Phi Kappa united to form Phi Kappa Theta fraternity. Phi Kappa Theta is a social fraternity based on Christian ideals. It is dedicated to providing an atmosphere and the means for developing leadership among the young men in our colleges and universities. The La. Omicron chapter of ΦΚΘ stresses love and brotherhood.

Members of Phi Kappa Theta are: David Holmes, René Lemarie, Todd Acomb, Charles Borrello. Middle row l to R: Donald Moffett, Bryan Meche, David Roy, Gerard Hebert, Robert Sanin, Lane Broussard. Back row l to r: Dennis Riecke, James Hebert, Randy Carlson, Glenn Savoie, Mike Cox, "Coon", Vic LeFort, Mark Kinler, Lance Pierce, Ray Richard, Dwayne Callais, George Groh. Absent from picture — Rick Baron, David Bercejay, Jerry Bouvier, Barry Briner, Don Broussard, Mike Gaither, Eric Groh, Kirk Groh, Mark Hebert, Les Lowery, Joey Miller, Craig Neff, John Padgham.

# Phi Mu Sorority

Individualism is the keynote of today's Phi Mu. Members are not complacent — they accept the challenge to think and to participate. Creativity that is the result of original thinking leads to involvement and development of leadership. Phi Mu offers its members scholastic, social, cultural, philanthropic and spiritual challenges. Members are given the opportunity to belong to a group but to be an individual within the group. Phi Mu offers a chance to investigate, to participate and to discover a new dimension in total education.

Kappa Sigma, founded in Bologna, Italy in 1400 and organized in the United States in 1869, arrived at U.S.L. in 1956. The brothers of Kappa Sigma have been able to promote individualism and yet maintain a cohesiveness that is unique among U.S.L. Greeks. We are proud of our academic achievements, athletic accomplishments, and social endeavors.

Phi Kappa Psi was founded on February 19, 1852 in Cononsburg, PA at old Jefferson College. The Louisiana Beta Chapter of Phi Kappa Psi was founded 1969. Phi Psi is a group of college men who have banded themselves together as brothers for life and whose primary goal is to provide additional educational skills outside the constraints of the classroom. The chapter participates in many school events ranging from intramural sports to the annual Lagniappe Day Extravaganza. Other events include Homecoming, our annual spring formal and our Vegas nite which is our big charity event of the year. Phi Psi is more than a fraternity — we are a force on campus, guided by honor, tradition, and brotherhood.

Kappa Alpha Order was founded on the campus of Washington and Lee in Virginia on December 21, 1865. The order is founded on the ideas of chivalry and honor portrayed by the great leader General Robert E. Lee. There are well over 100 chapters throughout the states. Gamma Phi Chapter of KA was chartered on USL's campus December 2, 1960. In this their 20th year on campus the brothers number approximately 110 members. KA is primarily a social organization, but is also actively involved in community activities and its national philanthropy: Muscular Dystrophy. Kappa Alpha is more than a fraternity, it is an order, a brotherhood, and Fine Southern Heritage! We ain't just whistlin' Dixie.

# President Authement

Ray Authement is President of the University of Southwestern Louisiana. He received a B.S. from Southwestern Louisiana Institute in 1950, M.S. from Louisiana State University in 1952 and Ph.D. from Louisiana State University in 1956. President Authement has been at USL for 23 years. As President, he is responsible for the University's over-all operation and for carrying out policies of the Board of Trustees, Board of Regents and State Legislature.

## Exec. Council

### THE UNIVERSITY COUNCIL

Members of the University of Southwestern Louisiana University Council are the Vice Presidents for Administrative Affairs, Academic Affairs, University Relations, Business Affairs, and the Chief Student Officer. Chairman of the University Council is Dr. James R. Oliver.

The Council meets weekly, and is subject to call into special meeting at any time.

The University Council considers campus-wide issues and makes recommendations to President Authement. Proposed new policies are reviewed by the Council, then forwarded to the president for his consideration. It also serves as a forum in which its members bring up items for airing by his colleagues.

# College of Business Administration

## Dean Rexford Hauser

Dr. Rexford C. Hauser is the Dean of the College of Business Administration. Dean Hauser received his Bachelor of Science Degree in Business Administration at USL, then obtained his MBA Degree from LSU, and then received his Doctorate Degree in Business Administration from the Harvard Graduate School of Business Administration.

Dr. Hauser joined the Faculty of USL in 1957, serving as a Professor of Management and Administrative Studies. In 1971 Dr. Hauser was selected as "Outstanding Professor, College of Commerce" by the graduating seniors. In 1972 Dr. Hauser was chosen by the USL Foundation as one of the five professors to receive the "Distinguished Professor" Award for 1972-73.

In 1975 he was instrumental in establishing an "Executive Master of Business Administrative Program" at USL and served as co-ordinator of the program until his appointment as Dean in July of 1977.

Dean Hauser is a member of Phi Kappa Phi, National General Honor Society, serving as Secretary-Treasurer of the USL Chapter; a member of Beta Gamma Sigma, National Commerce Honor Society; and Omicron Delta Epsilon, National Economics Honor Society.

He also serves on the Board of Our Lady of Lourdes Hospital in Lafayette, and does consulting for business and industry.

# College of Nursing

## Dr. Madelle Lockard

Dr. Medelle Lockhard has been a faculty member at USL since the fall of 1959. She received her Bachelor of Science Degree in Nursing at USL in 1955 and her Master's Degree in Nursing from the University of Texas in 1960.

Dr. Medelle is an associate professor and acting Dean of the College of Nursing.

Dr. Medelle's job involves administrative duties for the College of Nursing; setting up the budget, recruitment of faculty, and maintaining a quality education program in nursing. She is also responsible for expressing the views of the faculty to the administration and vice-versa. Another very important duty is that of promoting good will between the University and the community.

# Community Services

Dr. Allen H. St. Martin, Dean of Community Services, has been at USL for eleven years. He received his B.S. in 1953 and his M.Ed. in 1960, both from USL. In 1974 he received his D.Ed. from the University of Houston. His position here at USL involves High School Relations, Summer and Special Programs for High School students, evening academic classes, CEU courses, and freshman scholarship programs. Dr. St. Martin also coordinates several foundation scholarships, USL fairs, and rallies.

# Conference Center

Louis B. Roth, Director of the Conference Center, has been with USL ten years. He received his B.B. in Education here at USL in 1956. Later, he received both his M.Ed. and his D.Ed. from the Louisiana State University, in 1964 and 1979, respectively. His job involves the development and preparation of short courses, conferences and seminars. He also must make arrangements to accomodate these services.

## Sylvia Ross

Sylvia P. Ross, Director of Extension Courses and coordinator of D.O.O.R.S. program, has been at USL for three years. She received her B.S. in 1974 from the University of Houston and in 1976 she received her M.A. from USL. She provides the community service involved in the D.O.O.R.S. program and also oversees all the university extension courses are carried out properly.

## Mike Maher

Mike Maher, Director of USL News Services, has been with USL six years. In 1972 he received his B.A. from USL and in 1974 he received his M.A. from the University of Maine. His job involves handling USL's public communication needs through the news media. His office produces news releases, public service announcements, photographs of campus events, and various campus publications.

# Wayne Denton

Dr. Wayne L. Denton is Director of Research and Sponsored Programs. In 1965 he received his B.S. from the Delta State College and in 1970 he received his Ph.D. from the Oklahoma State University. For ten years now, Dr. Denton has been an asset to the University through acts as congressional liaison person for the University; through the maintenance of a Research Program Library and provision for information service to all USL faculty, staff, and administrators; through his direction of sponsored program administration; and through his supervision and coordination of administrative activities related to all USL special purpose centers and/or institutes.

# Catherine Mouton

Catherine Mouton is the Placement Officer for USL. She received a B.S. from USL in 1976 in Business Education. She has been at USL since October of 1978. She helps graduating seniors to find jobs of their choice. Ms Mouton also aids undergraduates in locating part-time, summer or full-time jobs.

Theresa Theriot is a senior political science major whose honors include Who's Who Among American Colleges and Universities nominee — 1979, Pi Gamma Mu Vice President, Phi Alpha Theta, Dean's List and Honor's Convocation. Theresa is President of the Law Club, a member of Young Democrats and Food Service Committee. She is actively involved in Student Government Association as senator of Arts and Humanities — 1979 and President of Arts and Humanities for 1980. She also served on several committees while in SGA: Resolutions Committee — Chairman, name change, elections, finance, and Lyceum committees. She is a member of the following university committees: Fee Committee, Residency Committee and Committee on Academic Affairs and Standards. Miss Theriot's other activities include group leader for freshmen orientation, USL Day co-chairman, Lagniappe Day Committee, Homecoming Sub-Committee, Homecoming Committee, IFC Leadership Seminar participant and President's Advisory Council.

## Y

I'd like to thank all of the following  
people for their contributions in the line  
of pictures for the yearbook:

Rolando Ruiz del Vizo

Michelle Laborde

Guy Kilchrist

Phillip Baker

Peter Piazza

Jon Donlon

Gordon Gegenheimer

Vic Lefort

I'd also like to add a special thank you  
to John Stephens and Mike Maher for all  
they have done.

Now that my job as editor is nearing the end — I can look back upon the last year with a great deal of relief. There were numerous times when I wanted to walk out of the L'Acadien office and never look back, but I didn't. Not only would I have let myself down, but also everyone that has been so helpful and supportive throughout the year.

I couldn't have done all of this without the support I received. Thanks to Dean Blanco for standing by me when I changed the Greek section. Thanks to Suzy for EVERYTHING! Charley, I needed you to keep me on line. To my staff, thanks for everything and I'm sorry if I yelled a little too much at the end. To the student body, thanks for the memories!!!

Fred, Flo and everyone else at Taylor — y'all are the best if my book could be finished on time!

# Free Time
